Overview

To schedule your NSE 8 practical exam, you must select an available start time from the scheduling application. Based on the selected start time, the system schedules both exam sessions based on a fixed schedule:

The second session will start with the Proctor Validation approximately *one hour after the first session has ended*. Depending on the actual ending time of the first session, the time for the break between sessions will vary, as scheduling is done in 10-minute increments.
Purchasing an NSE 8 Practical Exam Voucher

After you pass the NSE 8 written exam at Pearson VUE, you can then attempt the NSE 8 practical exam.

NSE 8 practical exams are available online, proctored through ProctorU.

You must purchase your NSE 8 practical exam voucher prior to scheduling the exam through Fortinet Resellers, Authorized Training Centers, or via credit card in the Fortinet Training Institute.

See Purchasing Process for more information.

If you received a promotional offer, follow the instructions provided to purchase your NSE 8 practical exam voucher.
Initiating the Scheduling Process with Fortinet

Once you have your NSE 8 practical exam voucher, you can initiate the scheduling process with Fortinet.

To initiate the scheduling process

1. In a browser, navigate to the Fortinet Training Institute Helpdesk at https://helpdesk.training.fortinet.com/support/home.
2. Click Submit a ticket.
3. Fill out the ticket as follows:

If you are eligible to schedule the NSE 8 practical exam, Fortinet will initiate the scheduling process and you will receive two (2) emails from ProctorU to schedule your exam using their scheduling application.
Scheduling Through the ProctorU Scheduling Application

To schedule your exam through ProctorU

1. Enter the ProctorU scheduling application to schedule your exam session.
2. Select either Yes or No as to whether you are an EU citizen and/or current EU resident, and then click Submit.

3. Read the Terms & Conditions, and if you agree, check the box at the bottom, and then click Accept Terms.
4. On the **Account Settings** page, complete the following, and then click **Update Account**:
   - Review the pre-filled fields (**Username**, **Email**, **First name**, and **Last name**)
   - Complete the remaining fields

At least one phone number is required.

5. Click **Check your exam rules** to learn more information about the rules for the NSE 8 practical exam.

6. Review the exam rules thoroughly.
Scheduling Through the ProctorU Scheduling Application

The NSE 8 practical exam must be taken in a private room. During the exam, you must:

- Stay seated
- Be quiet
- Stay inside the camera frame

All materials to complete the exam will be provided from within the exam environment. *No external resources of any kind are permitted.*

Bathroom breaks are permitted if required due to the length of the exam. You are allowed two (2) bathroom breaks of 10 minutes each during each session. The time stops during the bathroom break and a rescan of the room is required by the proctor.

7. Click **Schedule** to schedule your exam.

![Schedule](image)

8. Select a date and time, and then click **Submit**.

![Select Date and Time](image)
ProctorU searches for the best match.

9. Review the results and then click **Select** associated with your preferred choice.

10. To confirm your selection, click **Schedule**.

A **Reservation complete** message appears, indicating your order was successful.
11. To see your active booking, click **My Sessions**.

![Scheduling through ProctorU](image)

Part one of the exam is listed. The second session only appears after the first session is completed.

Based on the start time of the first session (9:00 AM), the second session will start around 3:20 PM.

On the day of the exam when it’s time to start the session, return to this page to start your session.

⚠️ Make sure you are on time (5 minutes before your scheduled start time) to launch your exam! Being late will cause your exam to be cancelled!
